Life is changing
I can't go on without you
Rearranging
I will be strong
I'll stand by you

You were violent
Everyday
Someone had to pay
I know you never said goodbye
I have so much left to say

One less song
Given to an angel's son
As soon as you were gone

As soon as you were gone

I have a new life now
She lives through you, what can I do
I feel so alone now
I pray for you, we still love you

You were fighting
Everyday
Someone had to pay
I know you never said goodbye
I have so much left to say

One less song
Given to an angel's son
As soon as you were gone

As soon as you were gone

One less song

Given to an angel's son

As soon as you were gone

As soon as you were gone...
