My balls your chin!!!

Bbbrrrrrrroooooowwwwww!!!  
Well it's a bad scene  
I guess I never understand  
Cause I'm just a man  
Doing the best I can  
I separate the truth from your bullshit  
Don't try and give me them lines  
I ain't hearing it  
Tryin' to say your my man  
But when the backs are turned  
You have another plan  
Who listens to this girl  
But you don't talk so loud  
Cause you know this thoughts not allowed.  
I know your all the same  
And your so fuckin' lame  
And we're not gonna play those games ho.  
Where do I begin  
You know you just can't win.  
Only when you have my balls on your chin

My balls  
Your chin  
My balls  
I wanna put em' on  
Your chiiiiinnnn!! (your chiiiiinnnn!!)

My balls  
Your chin  
And you lick and you suck you suck on  
My balls  
My balls  
I wanna put em' on  
Your chiiiiinnnn!! (your chiiiiinnnn!!)

Well I don't know  
Wether the lights still glow  
Pack your bags and just hit the road  
Cause you don't face it  
Cause we just don't quit

Don't want no lies  
Because you see your so full of shit  
I see your envious  
Because you can't play with us  
And your bitchin' those nuts  
She's a fuckin' ho  
And we know how it goes  
You come back and it  
Once or twice who knows  
I know your all the same  
And your all so goddamn lame  
And we ain't gonna play those games ho  
Where do I begin  
You know you just can't win.  
Only when you have my balls on your chin

My balls  
Your chin

My balls  
I wanna put em' on  
Your chiiiiinnnn!! (your chiiiiinnnn!!)

My balls  
Your chin  
And you lick and you suck you suck on  
My balls  
My balls  
I wanna put em' on  
Your chiiiiinnnn!! (your chiiiiinnnn!!)

Well when we look back  
And wave goodbye to this town  
Thou in a second you won't see my man around  
I'm movin on and up  
But some female fool is trying to hold us back (da du  
be bu bo bo)  
Snach on my jock think I'm all that  
And there till my gig is past huh  
Sonny is that you, and all that shit you do  
No one can ever lose (cause we're the snot crew)  
I know your all the same  
And your all so goddamn lame  
And we ain't gonna play those games ho  
Where do I begin  
You know you just can't win.  
Only when you have my balls on your chin

My balls  
Your chin  
My balls

I wanna put em' on  
Your chiiiiinnnn!! (your chiiiiinnnn!!)

My balls  
Your chin  
And you lick and you suck you suck on  
My balls  
My balls  
I wanna put em' on  
Your chiiiiinnnn!! (your chiiiiinnnn!!)

Leave me some thing fucked up

My balls  
Your chin  
My balls  
Your chin

My balls  
Your chin  
And you lick and you suck you suck on  
My ball  
I wanna put them on  
Your chiiiiinnnn!!!!
