Intro

Say something for the record, tell the people what you feel

Fuck the record, and fuck the people.

Snooooooot!!!!

We're fixin' to take you down  
You know we wear the crown  
Just got to mess around  
Leave your daughters and sisters with me  
Down, down for the fattest sound  
We're coming to your town  
Making you jump around  
Someone's got to do it

Can you slow down, this can't be, 'cause you  
Know we got, got to have the fat sounds  
From s.b., motherfucker said  
Is this your soul found, can't you see  
And we're coming to your toooown  
Break it, smash it, motherfuckin' snot

Snot, your always knew this, snot  
Crew, we're undisputed  
Snot, you know we rule your world  
Clockin' all dem girls  
We're takin' yours&no;, we'll never stop  
Snot, I've got to tell you once again  
Don't try&play; my crew, 'cause you can't win  
I like to hear the sound when you skull cracks  
If you do talk back, feel us attack  
We're fixin' to take you down  
With a fat fuckin' sound, gonna steal your crown  
Not here to mess around  
I know you hear my voice  
'cause you got no choice  
The volume of my crew still undisputed  
If you don't move - we gonna roll right over,  
motherfucker  
Down with the groove - everything gonna be alright  
I've got to wow the crowd with a sound so loud

Try & front but you know I'm gonna get down  
I got the mike that's right what's at stake  
Is afraid you'll hear the truth  
You can't take this
