Thy shall never love another
And stand by me all the while
Take happiness with the heartaches
And go through life wearing a smile

Oh, how happy we will be, if we keep the ten
commandments
Of love, of love

Thou shall always have faith in me, in everything I say
and do
Love me, with all your heart and soul, until our life on
earth,
Is through

Oh, how happy we will be, if we keep the ten
commandments
Of love

Love, oh, sweet love, it's oh, oh, so grand
You will find since the beginning of time
It has rooted in all the land

Come to me when I'm lonely
Kiss me when you hold me tight
Treat me sweet and gentle
When we say goodnite

Oh, how happy we will be, if we keep the ten
commandments of love
