Drivin' all night on the highway  
swervin' all over the freeway  
chasin' black dogs after midnight  
I'm just holdin' on for twilight  
don't you worry son I'm comin' for you  
don't you know  
I'm bound to come through

yes I am now  
yes indeedy  
take it easy  
gosh almighty lord  
take it all now

got a little farm down in Dillon  
we got birds cows horses and chickens  
we play Jedi knights and pirates  
we just don't know what the time is  
don't you worry son I'm comin' for you  
don't you know  
I'm bound to come through

yes I am now  
yes indeedy  
take it easy  
gosh almighty lord  
take it all now

I'm comin' even if I'm sleepy  
I'm a young man and coffee's cheap yeah  
or if there's rain cloud or snow  
I just be careful watch for highway patrol  
don't you worry son I'm comin' for you  
don't you know  
I'm bound to come through

yes I am now  
yes indeedy  
take it easy  
gosh almighty lord  
take it all now

oh yeah  
yeah yeah yeah yeah yeah yeah
