I remember what you told me
Last I said I wanted you
A crooked smile played
Across your lips and you said
Damn all you men are just the same

It's been a longtime, that's granted
But i bet you havent changed
It's been a longtime since I was okaaay,
okay yeah

In the years we spent together
I fell in love withyour honesty
You never told me that
Your sweet words were never meant to apply to me

It's been a long time, thats granted
but I bet you haven't changed
It's been a longtime,since I was okaaay
okay, yeah

la la la la la la
la la la la la la
la la la la la laaaaa
la la la la lala

You're so perfect
Put together
Liz your beauty is faultless
But what I thought was
Done for my eyes
Was really building a fortress

It's been a long time,that's granted
But I bet you're just the same
It's been along time since I was okaaay
okay
It's been a long time
It's been a long time
yeah
