Every day I take you
dancing in the garden
you could be my woman
that would be fine
if you'd be my baby
I would drive you crazy
every night and day
all of the time

look at me
looking at you
looking at me
looking in your eyes
look at me
looking at you
looking at me
looking in your eyes

and when you take me
into your garden
let me kiss your blossom
and make it mine
I just wanna drink your
sweet crystal clear water
and then help you turn it
into wine

look at me
looking at you
looking at me
looking in your eyes
look at me
looking at you
looking at me
looking in your eyes

and when you are sleeping
I can watch you breathin'
murmur in the dark
and call my name
and when I join you

underneath the blanket
I know I will never
be the same

look at me
looking at you
looking at me
looking in your eyes
look at me
looking at you
looking at me
looking in your eyes
(repeat x2)
