Poor Robyn

It's over now  
I think I get it  
It's been years  
Since I saw your face  
But now I don't want to hear from you  
I don't want to hear about anyone  
Or anything  
Named Robyn for a while

Goodbye the sea  
Where you live  
Goodbye the water  
Keep my toes dry for a while

Nobody heard what you had to say  
'Cause kisses whisper stay away  
Don't make me feel  
Like that again

Oh poor Robyn  
Don't be scared  
Let me hold you  
Let me take you there

I want you so  
I want you  
I want you so  
What
