I'm hot  
You're cold  
You go around like you know  
Who I am, but you don't  
You got me on my toes

### CHORUS:

I'm slipping into the lava  
And I'm trying to keep from going under  
Baby, you turn the temperature hotter  
'Cause I'm burning up, burning up  
For you baby

(Come on, girl)

I fell (I fell)  
So fast (So fast)  
I can't hold myself back  
High heels (High heels)  
Red dress (Red dress)  
All by yourself  
Gotta catch my breath

### CHORUS:

I'm slipping into the lava  
I'm trying to keep from going under  
Baby, you turn the temperature hotter  
'Cause I'm burning up, burning up  
For you baby

### BRIDGE:

I walk in the room  
All I can see is you  
You're staring me down  
I know you feel it too

### CHORUS:

I'm slipping into the lava  
And I'm trying to keep from going under  
Baby, you turn the temperature hotter  
'Cause I'm burning up, burning up  
For you baby

I'm slipping into the lava  
And I'm trying to keep from going under  
Baby, you turn the temperature hotter  
'Cause I'm burning up, burning up  
For you baby

**BIG ROB'S RAP:**

Yeah, its burning up  
In this place tonight  
The brothers singing loud (and we're feeling right!)  
Get up and dance (don't try and fight it!)  
Naw, for real (and thats no lie!)  
Stop, drop and roll (and touch the floor!)  
(It keeps on burnin' up)  
More and more!  
I got JB with me, layin' it down  
Come on boys  
Let's bring the chorus around!

**CHORUS:**

I'm slipping into the lava (burnin' up, burnin' up!)  
And I'm trying to keep from going under (yeah!)  
Baby, you turn the temperature hotter (come on!)  
I'm burning up, burning up  
For you baby  
I'm burning up, burning up  
For you baby
