It should be easier, I should be good at this by now,  
After all this time, I should really have it down,  
But I don't want you back, even though that's how it  
sounds,  
But I can't lie, I miss having you around.

If I really love you then I gotta learn to let go,  
Memories won't lead me to heaven though,  
I'm doing everything I gotta do to get through,  
But it's a b\*tch making love without you.

Woah-o-o, woah-oh,  
I can run but I can't escape you,  
Woah-o-o, woah-oh,  
Wish I could learn to hate you.

It's like a hurricane, came and tore my world apart,  
And in the aftermath, I'm finding pieces of my heart,  
If I was mad at you, I would already have moved on,  
But in reality you were good to me but you left where  
you belong.

If I really love you then I gotta learn to let go,  
Memories won't lead me to heaven though,  
I'm doing everything I gotta do to get through,  
But it's a b\*tch making love without you.

Woah-o-o, woah-oh,  
I can run but I can't escape you,  
Woah-o-o, woah-oh,  
Wish I could learn to hate you.

I must admit I, I've done some stupid things,  
I can't forgive myself for anything,  
I wish I could rise above, I wish I didn't care,  
I wish I didn't care.

'Cos it was more than just our first time,  
I can't believe you broke it off before we even tried,  
Now I can't breath in, I can't feel the feeling,  
I'm not blaming you I know you had your reasons,

But f\*ck all those people that say I wasn't right for you,  
And lied to you and said I did things that I didn't do,  
Well I swear to God I would have died for you,  
I would have died for you, I would have died for you.

If I really love you then I gotta learn to let go,  
Memories won't lead me to heaven though,  
I'm doing everything I gotta do to get through,  
But it's a b\*tch making love without you.

Woah-o-o, woah-oh,  
I can run but I can't escape you,  
Woah-o-o, woah-oh,  
Wish I could learn to hate you,  
Woah-o-o, woah-oh,  
Wish I could learn to hate you,  
Woah-o-o, woah-oh,  
Wish I could learn to hate you,  
Woah-o-o, woah-oh, I can't escape you,  
Woah-o-o, woah-oh, I can't escape you,  
Wish I could learn to hate you
