I've got to get me a wave
I can ride, I can ride
I'm such a Dramamine slave
I see stars but I'm alive

I will get you a stereo
And I will fuck it up
You know I will
'Cause I allow myself to fall around you

Why can't you bring me my car?
I can drive, I can drive
You're so theatrical, babe
I see God but I'm alive

And I could get you back
And I could give you "falling"

You've got to be the one to turn me in
My simple thing
My simple thing
You've got to learn to make me laugh again
My simple thing
My simple thing
You've got to be the one to close me in
My simple thing
My simple thing

I will get you a stereo
And I will fuck it up
You know I will
'Cause I allow myself to fall around you
