I stumbled across your picture today, I could barely breathe.

The moment stopped me cold and grabbed me like a thief.

I dialed your number but you wouldn't be there.

I knew the whole time, but it's still not fair.

I just wanted to hear your voice, I just needed to hear your voice.

What do I do with all I need to say,

So much I wanna tell you everyday.

Oh, it breaks my heart,

I cry these tears in the dark.

I write these letters to you,

But they get lost in the blue.

Cause, there's no address in the stars.

Now I'm driving through the pitch black dark.

I'm screaming at the sky,

Oh, cuase it hurts so bad.

Everybody tells me that all I need is time.

Every morning rolls in, and it hurts me again,

And that ain't nothin but a lie.

What do I do with all I need to say,

Oh, it breaks my heart,

I cry these tears in the dark.

I write these letters to you,

But they get lost in the blue.

Cause, there's no address in the stars.

Without you here with me,

Don't know what to do

I'd give anything just to talk to you.

Oh, it breaks my heart.

Oh it breaks my heart.

All I can do is write these letters to you.

But there's no address in the stars.
