It's the ones that you don't see comin'  
It's like they were born runnin' wild,  
Runnin' wild  
Deep down there's a blue fire flame  
People laugh and call them names  
But they can't  
Keep 'em down

Hey, hey  
Everybody loves a dark horse, baby  
A long shot in a world gone crazy, yeah  
Yeah

You can do what you want to do  
Win it all you got nothing to lose  
Yeah, yeah

Beaten down, nowhere to run to  
Count 'em out but it ain't nothing new  
It aint nothing new  
A hungry heart that ready to fight  
Burnin' like stars in a small town sky  
In a small town sky

Hey, hey  
Everybody loves a dark horse, baby  
A long shot in a world gone crazy, yeah  
Yeah  
You can do what you want to do  
Win it all you got nothing to lose  
Yeah, yeah

You can do anything you wanna do  
Win it all when you ain't got nothing  
Nothing to lose  
Yeah

Everybody loves a dark horse, baby  
A long shot in a world gone crazy, yeah  
Yeah  
You can do what you want to do  
Win it all you got nothing to lose

Yeah, yeah
