Well I was wrong
But you were mean
Yea, I got mad
Cuz you said those things
I called your bluff
So you walked out
So I guess,
We're even now

Well I told Jill
You told Joe
And I won't name names
But I heard you told someone where I could go
So I went out and met someone and we had a little fun
out on the town
So I guess,
We're even now

We ain't kids
We keep actin like we are
Playin stupid games
Tryin to break each other's hearts
Nobody wins
And nobody's keepin score
Truth is I just don't think I can do this anymore
I wish that we could turn this thing around
Turn around
Cuz I still love you
I still love you
Even now

Nobody wins
And nobody's keepin score
Truth is I just don't think I can do this anymore
I wish that we could turn this thing around
Turn around
Cuz I still love you
I still love you

Well I was wrong
Well I was mean
Can't we just be

Even now
