Filler Song (Lyrics by Kristen Henderson)

Here's where I don't put my heart on the line
here's where the beat comes to rest,
as if there's nothing left to say
between everything that's already been said,

and it's nothing more than
what's been written before

filler song, a break from you and me
filler song, nothing at stake lyrically
filler song, something to forget
filler song, a safety net

Here's where you look
for something sure,
A clue in the tune you're the one I adore

but it's not here, sweet thing,
this is just a filler song
designed to do nothing

filler song, a break from you and me
filler song, nothing at stake lyrically
filler song, something to forget
filler song, a safety net

So I won't say hello
and I won't say goodbye
I won't tell the truth, and I won't lie
I'll just strum this guitar in the middle of the road
until I have someplace better to go...
