Scrabble (Lyrics by Kristen Henderson)

-----  
If we played scrabble  
Iâ'd kick your butt  
with a seven letter word  
on a triple word score  
using the Q, the Z, a K, a Y,  
or G, maybe an F just for folly --

I have no idea what that could spell  
but I am sure if you mix â'em with some vowels  
it will teach us well --  
you can check the dictionary,

while I tally my score --

Thatâ's right, you heard me, uh huh,  
this is board game drama  
at a fever pitch  
and I have the deluxe edition  
and practicing since Iâ'm six --

so bring your tiles, your pad  
and humble pie, Iâ'll set down a zinger  
like â"zygotesâ" or â"goodbye.â"
