SHA - LA - LA
(Lyrics/Music-James Miller)

I remember the day we met, the way you smell, the
clothes you wore
Now I'm sure before I saw you, I had no idea of love
For a minute there you had me goin', minutes turned to
hours, hours to
days
Next thing I know you're movin' out and now there's
nothing left to say
but...

SHA - LA - LA
Why'd ya stay? Why'd ya leave? Why'd ya tease me for
three whole years?
I need a moment of clarity to put this all behind me,
see...

Now I know, now I know you, now I know you and now
you're gone, so...

SHA - LA - LA
Ya got me runnin', ya got me hidin', got me so I dont
where to go
Got me tied up, got me twisted, got me broken now I
know it shows
Now I know, Now I know you, Now I know you and now
you're gone, so...
