Take No (Lyrics by Kristen Henderson)

-----  
All I wanted was all of you  
and not to accept none of you  
so now I have something  
you wouldn't have guessed,  
I'll take no  
if that's your best

No is something, not nothing at all  
No is an answer, however small.  
You didn't ignore my open heart  
You just said no  
which is a good start.

I'll take no

if it's coming from you  
I'll take no  
and see what it can do  
I'll take no  
shut windows and doors  
open someday,  
what else are they for?

No is something, not nothing at all  
No is an answer, however small.  
You didn't ignore my open mind  
You just said no,  
so I'll keep trying.
