(Feat. Nelly Furtado)

Let me hold you  
For the last time  
It's the last chance to feel again  
But you broke me  
Now I can't feel anything

When I love you  
It's so untrue  
I can't even convince myself  
When I'm speaking  
It's the voice of someone else

Oh it tears me up  
I tried to hold on but it hurts too much  
I tried to forgive but it's not enough  
To make it all okay

You can't play our broken strings  
You can't feel anything  
That your heart don't want to feel  
I can't tell you something that aint real

Oh the truth hurts  
And lies worse  
I can't like it anymore  
And I love you a little less than before

Oh what are we doing  
We are turning into dust  
Playing house in the ruins of us

Running back through the fire  
When there's nothing left to say  
It's like chasing the very last train  
When it's too late

Oh it tears me up  
I tried to hold on but it hurts too much  
I tried to forgive but it's not enough  
To make it all okay

You can't play our broken strings  
You can't feel anything  
That your heart don't want to feel  
I can't tell you something that aint real

Oh the truth hurts  
And lies worse  
I can't like it anymore  
And I love you a little less than before

But we're running through the fire  
When there's nothing left to say  
It's like chasing the very last train  
When we both know it's too late

You can't play our broken strings  
You can't feel anything  
That your heart don't want to feel  
I can't tell you something that aint real

Oh the truth hurts  
And lies worse  
I can't like it anymore  
And I love you a little less than before  
Oh and I love you a little less than before

Let me hold you for the last time  
It's the last change to feel again
