So close to midnight
Under the streetlights
Leaving behind what I don't need

I've walked like a blind man
And my eyes are open
And you are the only place for me

Won't you hold on just for a while
Please don't give up on me tonight

Coz I'm on my way
I chased the day
Yeah I'll keep running all night

I just wont rest to catch my breath
I will run every red light

To get to you
No I will, get to you
No I will, get to you

I'll chase past the tail lights

Head for the skyline

Hoping that, that wont change your faith

I see them appearing
The cracks in the pavement
Running I pray I'm not too late

Wont you hold on just for a while

Please
Please don't give up on me tonight

Coz I'm on my way
I'll chase the day
Yeah I'll keep running all night

I just wont rest to catch my breath

I will run every red light

To get to you
No I will get to you
No I will get to you
I will

I'll get to you
Just hold on a little longer
I'll get to you
Oh just don't give up on me
I will get to
I will get to you

Coz I'm on my way
I chased the day
Yeah I'll keep running all night

I just wont rest to catch my breath
I will run every red light

To get to you
No I will get to you
No I will get to you
I will

I will get to
I will get to you
