James Morrison
"I Won't Let You Go"

When it's black
Take a little time to hold yourself
Take a little time to feel around
Before it's gone

You won't let go
But still keep on falling down
Remember how you save me now
From all of my wrongs, yeah

If there's love, just feel it
If there's life, we'll see it
This is no time to be alone, alone, yeah
I won't let you go

Say those words
Say those words like there's nothing else
Close your eyes and you might believe
There is some way out

Open up
Open up your heart to me now
Let it all come pouring out
There's nothing I can't take

(Chorus)
If there's love, just feel it
If there's life, we'll see it
This is no time to be alone, alone, yeah
I won't let you go
(Won't let you go)
(Won't let you go)

If your sky is falling
Just take my hand and hold it
You don't have to be alone, alone, yeah
I won't let you go
(Won't let you go)
(Won't let you go)

And if you feel the fading of the light
And you're too weak to carry on the fight
And all your friends that you cared for
Have disappeared
I'll be here not gone, forever holding on

(Chorus)

If your sky is falling
Just take my hand and hold it
You don't have to be alone, alone, yeah
I won't let you go
(Won't let you go)
(Won't let you go)

I won't let you go
I won't let
I won't let you go
I won't let
I won't let you go
I won't let you go
