(by Carole King)

I stayed in bed all mornin' just to pass the time  
There's somethin' wrong here, there can be no denyin'  
One of us is changin', or maybe we just stopped tryin'.

And it's too late baby, now it's too late  
Though we really did try to make it  
Something inside has died and I can't hide  
And I just can't fake it, oh no no no no.

It used to be so easy livin' here with you  
You were light and breezy and I knew just what to do  
Now you look so unhappy and I feel like a fool.

And it's too late baby, now it's too late  
Though we really did try to make it  
Something inside has died and I can't hide  
And I just can't fake it, oh no no.

Do do do do do do do do do do.

There'll be good times again for me and you  
But we just can't stay together, don'tcha feel it too?  
Still I'm glad for what we had, and how I once loved  
you.

But it's too late baby, now it's too late  
Though we really did try to make it  
Something inside has died and I can't hide  
And I just can't fake it  
Oh, no no no no no.

It's too late, baby  
It's too late, now darlin'  
It's too late
