And I don't believe you and I never will
And oh, I can't live by your side with the lies you've
tried to instill
I can't take anymore, I don't have to give you a reason
For leaving this time 'cause this is my last goodbye

It's like I hardly know you but maybe I never did
And it's like every emotion you showed me you kept
well hid
And every true word that you ever spoke was really
deceiving
Now, I'm leaving this time 'cause this is my last
goodbye

I've gotta turn and walk away, I don't have anything left
to say
I haven't already said before, I've grown tired of being
used
And I'm sick and tired of being accused
Now, I'm walking away from you and I'm not coming
back

I don't believe you and I never will
Oh, I can't live by your side with the lies you've tried to
instill, oh
I can't take anymore, I don't have to give you a reason
Oh, for leaving this time 'cause this is my last goodbye

Well, I've gotta turn and walk away, I don't have
anything left to say
I haven't already said before and I've grown tired of
being used
And I'm sick and tired of being accused
Now, I'm walking away from you and I'm not coming
back, oh

And I don't believe you and I never will
Oh, I can't take anymore, I don't have to give you a
reason
For leaving this time, this is my last goodbye, my last
goodbye
