I've been twisting and turning in a space that's too  
small

I've been drawing the line and watching it fall  
You've been closing me in, closing the space in my  
heart

Watching us fading and watching it all fall apart

Well, I can't explain why it's not enough

'Cause I gave it all to you

And if you leave me now, oh, just leave me now

It's the better thing to do

It's time to surrender

It's been to long pretending, there's no use in trying

When the pieces don't fit anymore

Pieces don't fit here anymore

You pulled me under if I had to give in

Such a beautiful myth that's breaking my skin

Well, I'll hide all the bruises, I'll hide all the damage  
that's done

But I show how I'm feeling until all the feeling has gone

Well, I can't explain why it's not enough

'Cause I gave it all to you

And if you leave me now, oh, just leave me now

It's the better thing to do

Well, it's time to surrender

It's been to long pretending, there's no use in trying

When the pieces don't fit anymore

Pieces don't fit here anymore

Oh, don't misunderstand how I feel

'Cause I've tried, yes I've tried

But still I don't know why, no I don't know why

I don't know why

Why I can't explain why it's not enough

I gave it all to you

And if you leave me now, just leave me now

It's the better thing to do

Well, it's time to surrender  
It's been too long pretending, there's no use in trying  
When the pieces don't fit anymore  
The pieces don't fit here anymore  
The pieces don't fit anymore
