I'm trying to change  
To make the best, for us  
But I'm just the same  
Same as I ever was

Oh and if you stay with me  
Honestly it's what I want  
But if you stay with me  
I know I'll hurt you more

So won't you save,  
Save yourself  
By leaving me now  
For someone else  
If I'm crying out  
Don't listen to it  
It's only in my heart  
Save yourself  
It's only in my heart  
Oh no

So tell me I'm gone  
Please won't you change, my mind  
This feels so intense  
Sometimes it can lead, you blind

Oh and if you stay with me  
Honestly it's what I want  
But if you stay with me  
I know I'll hurt you more  
So won't you save,  
Save yourself  
By leaving me now  
For someone else  
If I'm crying out  
Don't listen to it  
It's only in my heart  
Save yourself  
It's only in my heart  
Oh no

And I don't want

To let you go  
But I know  
It's the right thing to do baby  
And I don't think  
I'm that strong  
To say goodbye  
I don't wanna see you cry

So won't you save,  
Save yourself  
By leaving me now  
For someone else  
If I'm crying out  
Don't listen to it  
It's only in my heart  
Save yourself

It's only in my heart  
Save yourself

It's only in my heart

It's only in my heart  
Only, only in my heart
