I've been a fool  
I tripped and fell, there was nothing I could do  
Forgot what I had, thought I had something to prove  
Oh what a fool

I couldn't change  
Put my hand into flame  
That was the only way I ever see some light come back  
again  
Whatever you've got for me, I take it completely

If it's love if it's hate give me more  
I can take what you're feeling  
Oh what you're feeling  
Let me say it all over again  
Give me fire give me rain  
I can take all the pain if I hurt you  
I don't wanna hurt you  
Just wanna say it all over again

Oh now  
I think about the nights I let you down  
I remember all the times you helped me out  
I'm sorry now

You're slipping away  
â€¦ â€¦  
All I want to do is fix it up and hope it's not too late  
Whatever you got for me

If it's love if it's hate give me more  
I can take what you're feeling  
Oh what you're feeling  
Let me say it all over again  
Give me fire give me rain  
I can take all the pain if I hurt you  
I don't wanna hurt you  
Just let me say it all over again

Oh I couldn't see it  
No no no

That the only one I needed was there all along  
Oh for the first time, I know it's gonna be the last time  
I'm gonna give you all I got to give and never hold it  
back

Oh if it's love if it's hate give me all  
I can take what you're feeling  
I know what you're feeling  
Let me say it all over again  
Give me fire give me rain  
I can take all the pain if I hurt you  
I don't wanna hurt you  
Just let me say it all over again

If it's love if it's hate give me more  
I can take what you're feeling  
Oh what you're feeling  
Let me say it all over again  
If it's fire give if it's rain  
I can take all the pain that you're feeling  
I don't wanna hurt you  
Just let me say it all over again and again and again

You gotta give me some love  
You know you got to give me some love  
I'm gonna give you all I got  
Give you all I got to give  
Give you all I got to give  
You know I will
