I'm gonna make a change,  
For once in my life  
It's gonna feel real good,  
Gonna make a difference  
Gonna make it right...

As I, turn up the collar on  
My favorite winter coat  
This wind is blowing my mind  
I see the kids in the streets,  
With not enough to eat  
Who am I to be blind?  
Pretending not to see their needs

A summer disregard, a broken bottle top  
And a one man soul  
They follow each other on the wind ya' know  
'Cause they got nowhere to go  
That's why I want you to know

I'm starting with the man in the mirror  
I'm asking him to change his ways  
And no message could have been any clearer  
If you wanna make the world a better place  
Take a look at yourself, and then make a change  
(Na na na, na na na, na na, na nah)

I've been a victim of a selfish kind of love  
It's time that I realize  
That there are some with no home, not a nickel to loan  
Could it be really me, pretending that they're not alone

A willow deeply scarred, somebody's broken heart  
And a washed-out dream  
(Washed-out dream)  
They follow the pattern of the wind ya' see  
'Cause they got no place to be  
That's why I'm starting with me

I'm starting with the man in the mirror  
(Ooh! )

I'm asking him to change his ways  
(Ooh! )  
And no message could have been any clearer  
If you wanna make the world a better place  
Take a look at yourself, and then make a change

I'm starting with the man in the mirror  
(Ooh! )  
I'm asking him to change his ways  
(Change his ways - ooh! )  
And no message could have been any clearer  
If you wanna make the world a better place  
Take a look at yourself and then make that...  
CHANGE!

I'm starting with the man in the mirror  
(Man in the mirror - Oh yeah! )  
I'm asking him to change his ways  
(Better change! )  
No message could have been any clearer  
(If you wanna make the world a better place)  
(Take a look at yourself and then make the change)

(You gotta get it right, while you got the time)  
( 'Cause when you close your heart)  
You can't close your... your mind!  
(Then you close your... mind! )  
That man, that man, that man, that man  
With the man in the mirror  
(Man in the mirror, oh yeah! )  
That man, that man, that man,  
I'm asking him to change his ways  
(Better change! )  
You know... that man  
No message could have been any clearer  
If you wanna make the world a better place  
Take a look at yourself and then make the change  
Hoo! Hoo! Hoo! Hoo! Hoo!  
Na na na, na na na, na na, na nah  
(Ooooh...)  
Oh no, no no...

I'm gonna make a change  
It's gonna feel real good!  
Come on!  
(Change...)  
Just lift yourself  
You know  
You've got to stop it,  
Yourself!  
(Yeah! - Make that change! )  
I've got to make that change, today!

Hoo!  
(Man in the mirror)  
You got to  
You got to not let yourself...  
Brother  
Hoo!  
(Yeah! - Make that change! )  
You know - I've got to get  
That man, that man...  
(Man in the mirror)  
You've got to  
You've got to move! Come on!  
Come on!  
You got to...  
Stand up! Stand up! Stand up!  
(Yeah! - Make that change)  
Stand up and lift yourself, now!  
(Man in the mirror)  
Hoo! Hoo! Hoo!  
Aaow!  
(Yeah! - Make that change! )  
Gonna make that change...  
Come on!  
You know it!  
You know it!  
You know it!  
You know it...  
(Change...)  
Make that change.
