I've been twisting and turning, in a space that's too small

I've been drawing the line and watching it fall

You've been closing me in, closing the space in my heart

Watching us fading and watching it all fall apart

Well I can't explain, why it's not enough

So I gave it all to you

And if you leave me now

Oh just leave me now

It's the better thing to do

It's time to surrender

It's been too long pretending

There's no use in trying

When the pieces don't fit anymore

The pieces don't fit here anymore

You pulled me under, I had to give in

Such a beautiful mess, that's breaking my skin

Well I hide all the bruises, I hide all the damage that's done

But I'll show how I'm feelin, until all the feeling has gone

Mmm,

Well I can't explain, why it's not enough

Coz I gave it all to you

And if you leave me now

Oh just leave me now

It's the better thing to do

Well it's time to surrender

It's too long pretending

There's no use in trying

When the pieces don't fit anymore

The pieces don't fit here anymore

Mmm,

Oh don't misunderstand, how i feel

Coz I've tried, yes I've tried

Still I don't know why

No I don't know why, I don't know why

Why I can't explain, why it's not enough
I gave it all to you and if you leave me now
Just leave me now it's the better thing to do
Well it's time to surrender
It's been too long pretending
There's no use in trying
When the pieces don't fit anymore
The pieces don't fit here anymore

The pieces don't fit here anymore
