You could call me anytime and Iâ€™d come running  
Iâ€™d go to heck and back to rescue you  
Iâ€™d give up my soul and everything I own  
If thatâ€™s what you want, Iâ€™d do that for you

Oh but now youâ€™re asking too much  
You want me to find somebody new  
Oh I never thought Iâ€™d say this  
But girl, congratulations  
You found the one thing I canâ€™t do for you

Ask me for forgiveness, girl youâ€™ve got it  
If you donâ€™t love me what else can I do  
If this really is the end you wonâ€™t see my face again  
If thatâ€™s what you want, Iâ€™d do that for you  
Oh but now youâ€™re asking too much  
You want me to find somebody new  
Oh I never thought Iâ€™d say this  
But girl, congratulations  
You found the one thing I canâ€™t do for you

Youâ€™ll have to think of something else  
â€™Cause thereâ€™s no way to turn it off  
Iâ€™m sorry girl, I canâ€™t fall out of love

Oh I never thought Iâ€™d say this  
But girl, congratulations  
You found the one thing I canâ€™t do for you

You found the one thing I canâ€™t do for you
