1st Verse

You don't have to go now, honey
Call and tell 'em you won't be in today
Baby, there ain't nothin' at the office
So important it can't wait

1st Chorus

I'm thankful for the weekend
But two days in Heaven just ain't gonna do
Yes, it's gonna take forever, darlin'
Girl, I just got started lovin' you

2nd Verse

What's the point in fightin' what we're feelin'
We both know we'll never win
Ain't this what we're missin'
Let's just stop all this resistin' and give in

2nd Chorus

Let me wrap my arms around you
You know you don't wanna leave this room
Come back and let me hold you, darlin'
Girl, I just got started lovin' you

Bridge

What can I say
I've never felt this way
And girl, you're like a dream come true
After all the love we've made
It sure would be a shame
If we let this moment end so soon

3rd Chorus

So won't you lay back down beside me
Girl, just like I know you want to
Trust me when I tell you, darlin'

Girl, I just got started lovin' you

Spoken

I ain't gonna stop, oh yeah

(Repeat Bridge)

(Repeat 1st Chorus)

Tag

Come back and let me hold you, darlin'

Girl, I just got started lovin' you

Mmm, mmm, oh oh

Gonna hang out all week long

I've been lovin' kissin' and huggin' baby

Mmm, mmm
