I know you got somebody
Who thinks you're home tonight
You're lookin' for a good time
Girl, I'll do you right

Forget your other man
I wanna be your Lover Man

Now don't go feelin' guilty
How could this be wrong?
Girl, you may not know it
But you're right where you belong

Don't you understand?
I wanna be your Lover Man

I'll give you what you ain't been given
The love you've gone without way too long
Let's not waste another minute
Before the night is gone let's do and say we didn't
'Cause this feeling's way too strong

Girl, give me your hand
I wanna be your Lover Man
Oh, let's dance

I'll give you what you ain't been given
The love you've gone without for way too long
Let's not waste another minute
Before the night is gone let's do and say we didn't
'Cause this feeling's way too strong

Girl, give me your hand
I wanna be your Lover Man
Forget your other man
I wanna be your Lover Man

Oh yes, I do
You know you want that too
Ooh, hoo, ooh
