If you gotta make a fool of somebody
If you gotta make a fool of someone
Do you really gotta hurt me
I'm the one that'll worry, about you

If you gotta make a fool of somebody
If you gotta make a fool of someone
Do you really gotta hurt me
I am the one that'll love you, always true

Daytime or nighttime, anytime at all
I'll rush to your side anytime you call
Just to be near you, you know
Anywhere I'll go
How could you hurt me so... oh

If you gotta make a fool of somebody
If you gotta make a fool of someone
Do you really gotta hurt me
I'm the one that'll worry, about you

Take it easy baby
Please don't hurt me
