### "Building A Religion"

We are building a religion,  
We are building it bigger  
We are widening the corridors and adding more lanes  
We are building a religion.  
A limited edition  
We are now accepting callers for these pendant  
keychains  
To resist it is useless,  
It is useless to resist it  
His cigerratte is burning but it never seems to ash  
He is grooming his poodle  
He is living comfort eagle  
You can meet at his location but you'd better come with  
cash

Now his hat is on backwards. He can show you his  
tattoos  
He is in the music buisness he is calling you "DUDE!"

Now today is tomorrow and tomorrow's today  
And yesterday is weaving in and out  
And the fluffy white lines that the airplane leaves  
behind  
Are drifting right in front of the waning of the moon

He is handling the money. He's serving the food  
He knows about your party. He is calling you "DUDE!"

Now, do you believe in the one big sign?  
The double wide shine on the boot hills of your prime  
Doesn't matter if you're skinny. Doesn't matter if you're  
fat.  
You can dress up like a sultan in your onion-head hat

We are bulding a religion. We are making a brand  
We're the only ones to turn to when your castles turn to  
sand  
Take a bit of this apple, Mr. Corporate Events  
Take a walk through the jungle of cardboard shanties  
and tents  
Some people drink pepsi. Some people drink coke.

(coke)

The wacky morning d.j. says democracy's a joke.

He says now, "Do you believe in the one big song?"

He's now accepting callers who would like to sing along

He says, "Do you believe in the one true edge?"

By fastening your safety belts and stepping towards  
the ledge

He is handling the money. He is serving the food.

He is now accepting callers. He is calling me "DUDE!"

Do you believe in the one big sign?

The double wide shine on the boot hills of your prime.

There's no need to ask directions if you ever lose your  
mind

We're behind you. We're behind you.

And let us please remind you

We can send a car to find you

If you ever lose your way

We are building a religion...

We are building it bigger...

We are building..... a religion.....

A limited edition

We are now accepting callers for these beautiful  
pendant keychains
