People you love
Will turn their backs on you
You'll lose your hair
Your teeth
Your knife will fall out of it's sheath
But you still don't like to leave before the end of the
movie
People you hate will get their hooks into you
They'll pull you down
You'll frown
They'll tar you and drag you through town
But you still don't like to leave before the end of the
movie
No you still don't like to leave before the end of the
show
People you hate will get their hooks into you
They'll pull you down
You'll frown
They'll tar you and drag you through town
But you still don't like to leave before the end of the
movie
No you still don't like to leave before the end of the
show
