When you feel unlucky; just fill out, fill out,
Fill into all the spaces about,

And when you can't be tired; just fill out, fill out,
All of the forms, that put you to sleep,

Fill the cups,
Fill the cups,
Fill the cups with water,
Fill the cups,
Fill the cups,
To see how lucky you are,

And when you're walking down the street; just fill out,
fill out,
Fill all of your tiny bones all over the land,
You can do this, you can do this, yeah you really can do
this,
If you push those walls out, you can do this,

Fill the cups,
Fill the cups,
Fill the cups with water,
Fill the cups,
Fill the cups,
To see how lucky you are,

I was sad, I was sad, but I couldn't find the cyanide,
All I found was a pot of tea and good good memory,
I'm so lucky:
I'm so lucky
I'm so lucky
I'm so lucky
I'm so lucky
I'm so lucky
I'm so lucky, lucky lucky lucky

Fill the cups,
Fill the cups,
Fill the cups with water,
Fill the cups,
Fill the cups,

To see how lucky you are
