You look so good to me right now...  
You really, really look good to me right now...  
Whatever, whatever  
Girl I'll do,  
Forever and forever, ya ya ya ya  
I'll see you through  
Because I've got to keep you pleased, in every way I  
can  
Im gonna give you all of whom, as much as you can  
stand  
I'll make love to you right now, thats all I want to do  
I know you need it girl, and you know I need it too  
'Cause, I've found what the world is searching for  
Here, right here, my dear, I don't have to look no more  
And all my days, I've hoped and I've prayed  
For someone just like you to make me feel the way you  
do  
Im never gonna give you up  
No Im never ever gonna stop  
Stop the way I feel about you  
Girl I just can't live without you  
Im never ever gonna quit  
'Cause quittin just ain't my shit  
Gonna stay right here with you  
Gonna do all the things you want me to do now  
Whatever you want, girl you got it  
And whatever you need,  
I don't want, to see you without it  
Thats right...  
Because, you've given me much more then words can  
ever say  
And oh my dear I'll be right here until my dying day  
I don't know just how to say all the things I feel...  
I just know that I love you so and it gives me such a  
thrill  
'Cause, I've found what the world is searching for  
Here, right here, my dear, I don't have to look no more  
And all my days, I've hoped and I've prayed  
For someone just like you to make me feel the way you  
do  
Im never gonna give you up

No Im never ever gonna stop  
Stop the way I feel about you  
Girl I just can't live without you  
Im never ever gonna quit  
'Cause quittin just ain't my shit  
Gonna stay right here w
