You've painted up your lips and rolled and curled your
tinted hair

Ruby, are you contemplating going out somewhere?

The shadow on the wall tells me the sun is going down

Oh Ruby, don't take your love to town

It wasn't me who started that old crazy Asian war

But I was proud to go and do my patriotic chore

And yes, it's true that I'm not the man I used to be

Oh Ruby, I still need some company

It's hard to love a man whose legs are bent and
paralyzed

And the wants and needs of a woman your age, Ruby I
realize

But it won't be long, I've heard them say, until I'm not
around

Oh Ruby, don't take your love to town

And she's leaving now cause I just heard the slamming
of the door

The way I know I've heard it slam one hundred times
before

And if I could move I'd get my gun and put her in the
ground

Oh Ruby, don't take your love to town

Oh Ruby, for God's sake, turn around

Turn around

(Get back in here! You're not single anymore! Where
the fuck do you think you're going?!?)
