Anglo Reptilian,  
Wrist watch radio titters  
She waltzes her way  
Through the aerodrome  
Powdering conversation  
With pigeon Indo  
She catches her plane  
To petty sun white  
Two tone heaven

Chorus ~  
It's only natural  
You should be where you want  
So ordinary

Sixteenth year  
Was just the worst  
Ooh wee Holy Mary

She had a picture of Patty Hearst  
A kinda revolutionary

Chorus ~ x 4

You're sipping pool side babe  
With a gun  
You took some chances  
They're only laughing in the sun  
Where the sunshine dances
