Wow

Its really good to see you again, baby

And I must admit youre looking very, very, very nice  
these days

I guess life must be treating you well

Oh, me

Well, Ive just been doin the same ol thing Ive always  
been doin

You know, Ive got a new lady now

And its a little different then it was when I was with you

You know, I think back to when we met

The way I use to be and the cold way I use to act

But more than that. I think of how you changed me with  
your love and sensitivity

Remember when I used to

Love them and leave them

Thats what I used to do

Use and abuse them

Then I laid eyes on you

It was pain before pleasure

That was my claim to fame

With every measure, baby

Tasted teardrop stains, yeah

I was cold as ice long ago, baby, baby

I wasnt very, very, very nice, you know

Sugar, sugar, sugar

Then I kissed your lips

And you tuned on my fire, baby

And you burn me up within your flame

Took me a little higher

Made me live again

You turned on my fire, baby

Then you showed me what a love could do

Fire and desire, baby

Feel it comin through

And I thank you, baby  
Oh, how I thank you, baby  
You taught me so much  
And you showed mw so much and love and insensitivity  
That since youve been gone I dont think Ive ever felt  
this way before  
You know its funny how a man can change  
So quickly from a cold blooded person  
Thinkin hes God gift to women

Remember how I use to do that  
I must have been crazy then  
Remember when you used to

Love them and leave them  
Oh, thats what I used to do  
Use them and abuse them, whoa  
Then I laid eyes on you

It was pain before pleasure  
Oh, that was my claim to fame  
With every measure  
Tasted your teardrop stains, yeah

You were cold as ice (Woo...hoo...hoo...hoo...), baby,  
baby  
(I-I wasnt, I-I wasnt very nice, I know, woo...)  
Sugar, sugar, sugar, sugar  
Then I kissed your lips

And you (You turned on) turned (You turned on) on  
(You turned on my fire) my fire, baby (Ooh...)  
Then you showed me what a love could do  
(Woo...hoo...)  
Fire and desire (Fire and desire)  
Feelin good to you (Feelin good to you)

You turned on my fire (Fire, ooh...ooh...), baby (Oh,  
baby)  
And you burn me up within your flame (You burn me,  
you burn me)  
Fire and desire (Fire and desire)  
And were both to blame, both to blame (Ooh...ooh...)

You know  
I guess I think we both said a little too much today (No,  
ooh...hoo...hoo...)  
After all Tee, youre kind of with somebody else  
Im kind of livin with somebody (Ooh...ooh...ooh...)  
But please do me a favor just before you go (What is it,

baby)  
Just put your arms around me and hold me like you  
used (I wanna hold you tight)  
Tell me "Rick" (Oh...oh...) "Everything is gonna be  
alright"  
(Everything, everything, everything is gonna be alright)  
Put your arms around me  
Put your arms around me (Ooh...)  
(Ooh...ooh...)  
Oh, baby (Woo...ooh...ooh...)  
Oh, baby (Ooh...ooh...ooh...ooh...ooh...ooh...ooh...)  
(Ooh...ooh...ooh...ooh...oh)
