Don't be sad 'cause your sun is down  
You can rise above it  
Don't be sad 'cause you're on your own  
You have to learn to love it  
Don't be sad 'cause your sun is down  
You're gonna find your way  
Don't be sad 'cause your day is done  
There's another day, everyday

(chorus)

Everyday I wake up just the same  
Waiting for something new  
Every night I have myself to blame  
For the dreams that haven't come true  
But especially today I'm feeling blue

Don't be sad 'cause your son is down  
Little mama he's bound to feel it  
Don't be sad 'cause your boy is blue  
It wouldn't do to conceal it from you  
Don't be sad 'cause your sun is down  
The night doesn't need your sorrow  
Don't be sad 'cause the light is gone  
Just keep your mind on tomorrow and carry on

- chorus -
