everyday it's getting closer  
going faster than a roller coaster  
a love like yours would surely come my way  
everday seems a little faster  
all my friends they say go on up and ask her  
a love like yours would surely come my way  
everyday it seems a little stronger

everyday it lasts a little longer  
come what may do you ever long for  
true love from me  
everyday seems a little closer  
going faster than a roller coaster  
a love like yours would surely come my way  
a love like yours would surely come my way  
everyday
