My heart had been broken  
And I couldn't take no more  
I shuttered up my windows  
And I bolted tight my door  
Then I took one look at you  
And I nearly lost my mind

Chorus:

Now I'm going 'round going 'round  
Going 'round going around one more time  
Yes I'm going 'round going 'round  
Going 'round going around one more time

Betty was a little heartbreaker  
It didn't quite work out  
She did a number on my confidence  
I was riddled with self doubt  
I said that's it I'm through I quit  
The juanita she looked so fine.

Chorus

'round and 'round in a circle  
It's always the same  
One moment you swear you've had enough  
The next you've got to know her name

All on my own it wasn't that bad  
I was getting by as I could get  
I stopped into a drug store  
For one pack of cigarettes  
She didn't have a quarter  
Had to call her cousin kate  
And could I lend her maybe  
One thin dime

Chorus
