I'm gonna wait till the midnight hour
That's when my love comes tumblin' down
I'm gonna wait till the midnight hour
When there's no one else around

I'm gonna take you girl and hold you
And do all the things I told you
In the midnight hour, oh yeah

I'm gonna wait till the stars come out
And see that twinkle in your eyes
I'm gonna wait till the midnight hour
That's when my love begins to shine

You are the only girl I know
That really oh, loves me so
In the midnight hour, oh yeah

I'm gonna wait till the midnight hour
That's when my love comes tumblin' down
I'm gonna wait till the midnight hour
That's when my love begins to shine

Just you and I
Just you and I, yeah
Just you and I, oh yeah, baby
Just you and I, oh yeah
Just you and I, yeah
