We are riding on a railroad, singing some else's song
Forever standing by the cross road. Take a side and
step along.

We are sailing away on a river to the sea. Maybe you an
me can meet again.

We are riding on a railroad, singing someone else's
song Sing along.

Time to time I tire of the life that I've been leading
Town to town, day by day

There's a man up here who claims to have his hands
upon the reins.

There are chains upon his hands and he's riding upon
a train.

We are riding on a railroad, singing some else's song
Forever standing by the cross road. Take a side and
step along.

We are sailing away on a river to the sea. Maybe you an
me can meet again.

We are riding on a railroad, singing someone else's
song.

[instrumental and fade].
