There's something in the way she moves,
Or looks my way, or calls my name,
That seems to leave this troubled world behind.
And if I'm feeling down and blue,
Or troubled by some foolish game,
She always seems to make me change my mind.

Chorus:

And I feel fine anytime she's around me now,
She's around me now
Just about all the time
And if I'm well you can tell she's been with me now,
She's been with me now quite a long, long time
And I feel fine.

Every now and then the things I lean on lose their
meaning
And I find myself careening
Into places where I should not let me go.
She has the power to go where no one else can find me
And to silently remind me
Of the happiness and the good times that I know, got to
know.

Chorus:

And I feel fine anytime she's around me now,
She's around me now
Just about all the time
And if I'm well you can tell she's been with me now,
She's been with me now quite a long, long time
And I feel fine.

It isn't what she's got to say
But how she thinks and where she's been
To me, the words are nice, the way they sound
I like to hear them best that way
It doesn't much matter what they mean
If she says them mostly just to calm me down

Chorus:

And I feel fine anytime she's around me now,
She's around me now

Just about all the time
And if I'm well you can tell she's been with me now,
She's been with me now quite a long, long time
And I feel fine.
