Father, let us build a boat and sail away  
There's nothing for you here  
And brother, let us throw our lot out upon the sea  
It's been done before

I'm thinking 'bout a broken heart  
I'm talking 'bout the break of dawn  
You love me while I'm here  
Then you can miss me when I'm gone  
Sweet misunderstanding  
Won't you leave a poor boy alone  
I'm the one eyed seed of a tumbleweed  
In the belly of a rolling stone

(Chorus)

Back on the highway, yeah, yeah, yeah  
Back on the road again

I had a little woman in Memphis  
She wanted to be my bride  
She said, settle on down, traveling man  
You can stay right by my side  
I tried so hard to please her  
But I couldn't hold out too long  
'Cause one Saturday night I was laying in bed  
And I heard that highway song

- Chorus -

Now one of these days that highway song will lose its  
appeal to me  
I'm gonna settle on down like a natural born man  
I'm gonna live my life naturally (Free and easy)  
Until that day the thunder's gonna roll  
And I notice there's a sign of rain  
So I grab my bags and I pack my clothes  
And I'm back on the road again

- Chorus -

I'm thinking 'bout a broken heart

I been talking 'bout the break of dawn  
You loved me while I'm here  
and you can miss me when I'm gone  
And I said sweet misunderstanding  
Won't you leave a poor boy alone  
'Cause I'm the one eyed seed of a tumbleweed  
In the belly of a rolling stone

- Chorus -

Here I am again  
Holiday Inn  
Same old four walls again  
Gee, but it's fine to be back home again (whoa, now)  
Say, Holiday Inn, I'm on the road again
