Gee, it's great after stayin' out late
Walkin' my baby back home
Arm in arm, over meadow and farm
Walkin' my baby back home

We go on harmonizin' a song
Or she's recitin' a poem
Owls fly by and they give me the eye
Walkin' my baby back home

We stop for a while, she gives me a smile
And cuddles her cheek to my chest
We start to pet and that's when I get
Her powder all over my vest

After I kind of straighten my tie
She has to borrow my comb
One kiss then we continue again
Walkin' my baby back home

After I kind of straighten my tie
She has to borrow my comb
One kiss then we continue again
Walkin' my baby back home

Walkin' my baby back home, it's me
I'm just walkin' my baby back home
Nice night
