Wonderful World Lyrics

Artist(Band): Simon & Garfunkle & James Taylor

What a wonderful wonderful world this would be
What a wonderful wonderful wonderful world

Don't know much about history
Don't know much biology
Don't know much about science books
Don't know much about the french I took
But I do know that I love you
And I know that if you loved me too
What a wonderful wonderful world this would be

Don't know much about geography
Don't know much trigonometry
Don't know much about algebra
I don't know what a slide rule is for
But I do know one and one is two
And if this one could be with you
What a wonderful wonderful world this would be
What a wonderful wonderful wonderful world

Now I don't claim to be an A student
But I'm tryin' to be
I think that maybe by being an A student, baby
I can win your love for me

Don't know much about the middle ages
Look at the pictures and I turn the pages
Don't know nothin' 'bout no rise and fall
Don't know nothin' 'bout nothin' at all.
Girl, it's you that I've been thinkin' of
And if I could only win your love, girl,
What a wonderful wonderful world this would be
What a wonderful wonderful world this would be
What a wonderful wonderful wonderful wonderful
world
What a wonderful wonderful wonderful wonderful
world
What a wonderful wonderful wonderful wonderful

world
What a wonderful wonderful wonderful wonderful
world
What a wonderful wonderful wonderful wonderful
world
