Hey there small town
Take a look around
Trumpets sound, walls fall down
Broken on the ground
Iâ€™m leaving, while Iâ€™m still breathing

Hey there small town
I canâ€™t stay
I broke the chains, no remains
I have to run away,
Iâ€™m leaving, while Iâ€™m still breathing
Iâ€™m leaving, while Iâ€™m still breathing

Iâ€™m in flames
calling calling calling out your name
Iâ€™m in flames
Buring burning burning in my brain
Canâ€™t stop the flames

Hey there small town
You tied me down
See like them be like them
Coloured grey and brown
Iâ€™m leaving, while Iâ€™m still breathing

So long small town
You canâ€™t hold me

City lights are burning bright
You donâ€™t control me
Iâ€™m leaving, while Iâ€™m still breathing
Iâ€™m leaving, while Iâ€™m still breathing

Iâ€™m in flames
calling calling calling out your name
Iâ€™m in flames
Buring burning burning in my brain
Canâ€™t stop the flames

Girlfriend pats her tummy,
Sheâ€™s gonna be a mummy
And Daddyâ€™s got a job for you my son

You got nowhere
And you got nowhere else to run
You got nowhere
And you got nowhere else to run

Iâ'm in flames
calling calling calling out your name
Iâ'm in flames
Buring burning burning in my brain
CanÂ't stop the flames
Iâ'm in flames.
