I wanna save myself from you
You're going under and you're taking me too

I'm starting to disappear

You've gotta let go of my hand
You've got it coming and you don't understand

I'm starting to disappear
So I'm making time for air

I'm breathing in (x 4)

We're all wondering
Where did you go down by the sea?
We're all waiting
For you to come back dry and free

I'm starting to disappear
So I'm making time for air

I'm breathing in (x 4)
